Types of leads. Along the entire path of a buyer's journey, the marketing team continues to score the leads, often in terms of points or a temperature scale -- hence cold or hot leads. Lead scoring can also be expressed in terms of lead qualification.

Diverticulitis: Symptoms, Causes, Treatments & More

In marketing, lead generation is the initiation of consumer interest or enquiry into products or services of a business. Leads can be created for purposes such as list building, e-newsletter list acquisition or for sales leads. The methods for generating leads typically fall under the umbrella of advertising, but may also include non-paid sources such as organic search engine results or ...
